EI TAF Progress Report 2010

Oil, Gas, and Mining Unit

Our objective is to facilitate the extractive industries' contribution to poverty alleviation and economic growth through the promotion of good governance and sustainable development.

Who we are What we do Where we work Our Global Partnerships

Our Policy Division also carries out an advocacy role through the management of the following global programs or public-private partnerships:

- The Extractive Industries Transparency Initiative (EITI) multi-donor trust fund
- The Global Gas Flaring Reduction Partnership (GGFR)
- Communities and Artisanal & Small-Scale Mining (CASM)
- Extractive Industries Technical Advisory Facility

Featured Story

Voices of Transparency: The role of the World Bank Group and partners in supporting the implementation of the Extractive Industries Transparency Initiative

March 1, 2011 — EITI stakeholders are seeing positive results being achieved in EITI countries. This publication celebrates the EITI's progress by recording the views of stakeholders, from various countries and organizations, who have made relevant contributions to the implementation of the EITI principles.
